MATH NIGHT FOR PARENTS/GUARDIANS

Please join us for an informative night to help you, the parents and guardians better understand today's mathematics classes. The night will begin at 6:00pm with a presentation where you will be given tips and resources to help your child understand and succeed in their respective math classes.

We will then break out into grade level sessions; Primary (grade 1-3), Junior (grade 4-6), and Intermediate (grade 7-8) where examples and strategies will be worked on as a team.

Please RSVP by returning the bottom portion with your First and Last name before April 9, 2019.
