*Heart of the Community, Success for Each,
A Place for All*

Dear Parents/ Guardians,

St. Matthew grade 8 students will continue to offer Pizza to help support their financial math program. If you are interested in participating in this fundraiser, please order via cash online by May 1, 2019. Pizza slices will also be sold ON THE DAY of pizza lunches (for those few students who forgot to order online) using **CASH**. A grade 8 student will collect the money and include the order in the total.

The money raised will be used for many projects and activities that occur at the school such as dance presentations, Summit climbing, anti-bullying presentations and other guest speakers, and subsidizing field trips are examples of items that we hope to support this 2018-2019 school year. All of these projects depend on these funds and your family's participation.

We understand that circumstances may cause a student to miss an occasional Pizza Lunch. Due to the complexity of administering the program, we ask that you consider any missed-lunch portion of your pizza payment a donation.

PLEASE NOTE: Participation is strictly voluntary.

1. Pizza slices will be available every Monday.
2. **Pizza slices will also be sold on the day of pizza lunches.** Dates for this order include May 6, 13, 27, June 3, 10, 17. Slices of pizza cost \$2.00 each.
3. Cash online will be closed as of May 1, 2019.

THANKS!
