

Thank you for making our Jump Event a success!

Dear Families,

This year, approximately 440 students at St. Matthew participated in Heart & Stroke's Jump Rope for Heart event. Together, we raised **\$7,701.65** for the foundation.

For more than 35 years, Jump Rope for Heart has empowered kids to take charge of their heart and brain health. Jump ensures an active, educational event that raises funds in support of Heart & Stroke while motivating kids to practice healthy habits at an early age.

The funds we raised will support research and education that gives kids across Canada the best start to a healthy and happy life.

Thanks to your generosity, our school has also earned valuable resources through Heart & Stroke's Give-back program.

Sincerely,

Mrs. Kocan

The student thank you prizes have already arrived to school and will be distributed this week.

Gift cards for online participation will be emailed to the fundraiser's email address. Please check your email for their cards.

New this year, receipts for any offline donations will be sent directly to donors and will NOT be distributed to your students before the end of the school year.
