Survey Says

Overview

- JAM hosts welcome guests and relay all necessary information
- They take on the role as emcee (share their screen/ask the questions), as well as tracking the scores on their Master Scoresheet
 - We use Google Sheets
- Participants will be broken up into teams
- Each team will assign a team captain who is responsible for filling out their team scoresheet with answers
- We will play as many rounds as time permits!

How-To Play

- 1) Our JAM hosts will reveal the question on the board
- 2) Teams will have 1-2 minutes in their break out rooms to work collaboratively and come up with answers to the question
- 3) Our hosts collect all of the answers on their Master Scoresheet, highlight the rankings, and we're off to the next question!

ENJOY!
